

CAI CANADA WEBINAR

CMRAO LICENSING TRENDS AND MANAGING THE COMPLAINTS PROCESS

CAI is pleased to present a special webinar with Sandy Vizely, Director of Regulatory Operations and Deputy Registrar of the CMRAO. The webinar will review the latest trends with respect to the number of licensed condominium managers in Ontario, as well as Continuing Professional Education requirements for managers. We will also discuss the condominium manager complaint process to assist managers in properly responding to complaints, as well as update managers on the CMRAO's latest enforcement activities. Don't miss this critical seminar on regulatory trends and compliance for condominium managers!
